

THE 100 BOOK CLUB

WITH UPPER SANDUSKY COMMUNITY LIBRARY

June 2024 - May 2025

WHAT IS THE 100 BOOK CLUB?

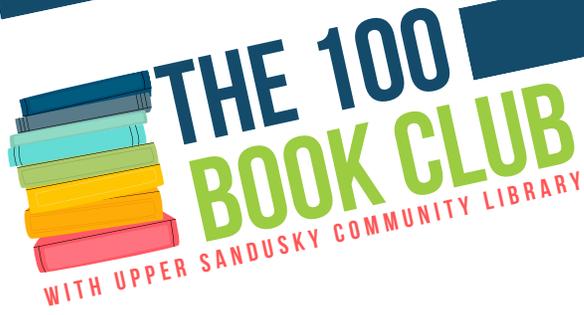

The 100 Book Club is a prestigious reader club at Upper Sandusky Community Library. Readers will attempt to read 100 books within a year (June-May). If they meet that goal they will be inducted into the 100 Book Club.

The 100 Book Club is an ongoing challenge, which means even if you've completed it once, you can continue challenging yourself year after year!

RULES

- The challenge is open to readers ages 6+.
- Readers can sign up for the 100 Book Club challenge anytime throughout the year.
- Readers must read or listen to the book themselves.
- Only titles read between June 1, 2024 (the start of the summer reading program) and May 31, 2025 count toward the 100-book goal.
- A title can only be counted once within the year timeframe (which means re-reads within that same timeframe won't count).
- All book formats count (ex. physical, ebook, audiobook, graphic novels, and comics).
 - Magazines, cookbooks, and adults reading picture books do not count.
 - Anthologies and collections of short stories count as one book. Individual stories within a collection do not count as separate entries.
- Completed logs must be submitted to the Upper Sandusky Community Library by June 7, 2025 for verification.
- Readers who have completed the challenge will receive an invitation to the 100 Book Club recognition event during the summer reading program where they will receive a 100 Book Club t-shirt and an award.

Have questions? Call the Upper Sandusky Community Library at 419-294-1345 or email Krystal at ksmalley@seolibraries.org.
