**What's Cookin' Cookbook Discussion Group**

What's Cookin' has been meeting since 2013 on a monthly basis to discuss food and cookbooks and share in a themed potluck meal.

Cheryl Lyon is the coordinator of the group and leads the meetings. Her goal is to provide interesting speakers and demonstrations of cooking methods, and to share relevant information and fun facts about cooking.

Do you enjoy cooking? Are you looking for new ideas, recipes, and opportunities to learn more about food and cooking? Join Cheryl and the group as they continue their adventures in cooking.

For more information you can contact Cheryl at [clyon@seolibraries.org](mailto:clyon@seolibraries.org) or call the library at 419-294-1345. We'll be happy to give you more information about this fun, interactive library program.
